2020 CSA Hare & Hound Racing

2020 Hare and Hound races will build on the success of last year. It is open to all classes of boats and we encourage you to take friends and family out for a structured sail around the lake for an afternoon of racing with the emphasis on fun. After the race, come back to the pavilion for the results and free beverages. Plan to make a day of it by grilling out. How about an evening sail too?

The proposed race course would remain the same for the entire 2020 season. The starts would be staggered so the slowest boats, based on their PHRF number, would start first thus eliminating a crowded starting line. Scoring will be simple because a yacht's finishing position would depend solely on when she crossed the finish line in relation to the other competitors. At 4:00 the results will be announced at the pavilion where all can sit and enjoy complimentary beer and soda while tall tales are told of the days adventures. Sail 4 of the 6 and you qualify for a H&H excellence award at the Commodores' banquet!

The Skippers Meeting is at 10:00 AM (suggested)

The boat with the highest PHRF number on the list will start at 11:00 PM.

We will try to score 4 divisions, Low PHRF, High PHRF, One Design & Cats
