- Scott S. or Jim D. to poll Catamaran Fleet to score Long Distance races separately; not included in overall scores.
- Latham S. to compare scoring options (MiniMega) as it relates to tie-breakers.
- Who? suggestion for the Pursuit Race Days to incorporate the fleet sponsored party.

Race Scoring Discussion:

Terms: Qualification vs Fleet Scores

Scores for MiniMega: (a) as a regatta x 2. (b) 3 best regardless of # of races

Scoring High# vs Low#: those in attendance agreed to keep High# for 2015 season (same as 2014 season).

Need Clarification of % of races to count:

Championship Series = 66% (2/3)

Season Series = 50%

CSA Qualify = 30% (1/3)
