Selah explained that regatta is intended to involve youth sailors ages 8-18 designating proceeds from the regatta to replace the CSA playground with a pirate ship themed playground. The new playground would have updated safety features and a design that would be suitable for a wider age-range of youth than the existing playground. A motion was made by Dave Leimbach and seconded by Latham Souther that the Catamaran Fleet donate \$1,000 to the Bic Regatta and the new playground. Motion passed.

The next meeting will be hosted at Sue Dudek's home on March 16, 2018, 6:30 pm.
