

2021 CSA COVID Guidelines

To ensure the safety of our members and their families during the COVID 19 pandemic a number of practices will remain in place for the 2021 sailing season. Some members will have been vaccinated before the start of the season, but others will not. Also, there are more contagious variants now circulating, so we need to continue to be vigilant as these may not be covered by current vaccines.

As a club organization and as individual members, Carlyle Sailing Association will follow the federal guidelines plus all state and local requirements. We ask that you please follow these guidelines:

Individual Member Responsibilities	The Club's Role
<ol style="list-style-type: none"> 1. If you are running a fever or experiencing other symptoms that may indicate a COVID infection, please stay home. If you have recently had such symptoms or the virus, please stay home for an extra week or until medically cleared. 2. Always have in your possession a face covering. These are to be worn when you are inside a building at CSA, except while eating or in a small group of fully vaccinated people. 3. Maintain six-foot social distancing so much as possible, unless you are in a small group where everyone has been fully vaccinated. 4. Wash or sanitize your hands frequently. 5. Cover coughs or sneezes with your elbow. 6. Spread out and use our many picnic tables when you eat your lunch, etc. 7. Comply with all posted guidance. 8. If you've had close contact with a COVID infected person, please self-quarantine per current CDC guidance. 9. It is important that <u>all</u> members, their families, and guests follow these practices to protect our health. Your compliance will also ensure that Illinois authorities allow CSA to remain open during the COVID-19 situation. 	<ol style="list-style-type: none"> 1. CSA will follow public health guidelines and restrictions currently in effect by local authorities in Illinois. 2. CSA will be open to members, their guests, and to other visitors who should be made aware of these guidelines. 3. Sanitize frequently touched surfaces on a regular basis. 4. Ample soap and paper towels will be available in the restrooms. 5. Provide a limited number of face masks available for purchase at the club. Members are strongly encouraged to bring their own face covering, 6. We may postpone, cancel, or modify activities as needed to comply with detailed guidelines currently in effect. 7. We expect that many COVID-related practices will remain in place at CSA for the entire 2021 sailing season. Some of the government items may be changed or loosened by Illinois authorities during the coming months. We will keep members informed of such changes. 8. Organizers of events that involve food service will be asked to comply with current Illinois restrictions applicable to serving food. 9. Any larger gatherings will be held outside and/or in the pavilion, so much as possible.

We expect that all facilities at CSA will remain open throughout the season in 2021. All planned activities and events (regattas, camps, etc.) can proceed with any modifications necessary to comply with current COVID guidance.
